

Amendments to the Specification:

Please amend the specification as follows:

Please replace paragraph starting at page 9, line 1, with the following rewritten paragraph:

~~FIGS. 9A-9D show the purification of recombinant hPTH medium including: FIG. 9A, a chromatogram of the HPLC purification; in FIG. 9B a chromatogram of the HPLC purification of fractions 32 and 33 from panel 9A (the peak of the recombinant hPTH is indicated in black); FIG. 9C, an HPLC of one microgram standards hPTH (1-84); and 9D, a co-chromatogram of the recombinant PTH from panel 9B and one microgram standard of hPTH.~~ FIGS. 9A-9D show the purification of recombinant hPTH medium including: FIG. 9A, a chromatogram of the HPLC purification; in 9B, a co-chromatogram of the recombinant PTH from panel 9C and one microgram standard of hPTH, in FIG. 9C a chromatogram of the HPLC purification of fractions 32 and 33 from panel 9A (the peak of the recombinant hPTH is indicated in black); in FIG. 9D, an HPLC of one microgram standard hPTH (1-84).
